

## ENVIRONMENTAL POLICY DOCUMENT

Below is a downloadable template for an Environmental Policy document, as required by ISO 14001:2015. This template provides a framework that organizations can customize to reflect their specific commitments, values, and objectives related to environmental management.

[Your Organization's Logo]

### Environmental Policy

[Date]

[Organization Name] is committed to minimizing our environmental impact and promoting sustainability in all aspects of our operations. We recognize the importance of environmental protection and are dedicated to complying with all applicable environmental laws, regulations, and other requirements. Our Environmental Policy reflects our commitment to continual improvement and environmental stewardship.

#### 1. Commitment to Compliance:

- [Organization Name] will comply with all relevant environmental laws, regulations, and other requirements applicable to our operations.

#### 2. Pollution Prevention:

- We will strive to prevent pollution, reduce waste, and minimize our environmental footprint by implementing environmentally sound practices and technologies.

#### 3. Continual Improvement:

- [Organization Name] is committed to continually improving our environmental performance by setting and achieving environmental objectives and targets.

#### 4. Communication:

- We will communicate our Environmental Policy to all employees, contractors, suppliers, and other stakeholders, and encourage their participation in achieving our environmental objectives.

#### 5. Integration with Business Goals:

- Environmental sustainability is integrated into our overall business strategy and decision-making processes. We will consider environmental factors in our planning, operations, and product/service development.

[Organization Name]'s Environmental Policy is communicated to all employees and stakeholders and is available to the public on our website.

[Signature] [Name] [Position] [Date]

[Note: Customize the template with your organization's specific details, including the date, organization name, logo, and signature. Ensure that the policy reflects your organization's commitments, values, and objectives related to environmental management.]
